

NEUROTRANSMITTER KIT

| | | | | |
|-------------------------------|-------------------------------------|-------------------------------|------------------------------|-------------------------------|
| ACETYLCHOLINE | HISTAMINE | GABA | Frontal Lobe | C. REACTIVE PROTEIN |
| Acetyl CoA | Histidine | Glutamate | Right Eye | N.F. KAPPA B |
| Choline | Methylhistamine | Succinic semi aldehyde | Left Eye | Phosphatidyl choline |
| Acetate | Imidazole acetic acid | ASPARTATE | Mg-ATP | Phosphatidyl serine |
| DOPAMINE | Methyl imidazole acetic acid | Asparagine | Mg-ADP | Alkylglycerol |
| Tyrosine | CYSTEINE | Oxaloacetate | Phosphenolpyruvate | Olfactory nerve |
| L.DOPA | Methionine | GLUTAMATE | Pyruvate | Optic nerve |
| Dihydroxymandelic acid | SAM | Glutamine | Acetyl CoA | Oculomotor nerve |
| Vanillylmandelic acid | Homocysteine | α-Ketoglutarate | Citrate | Trochlear nerve |
| NORADRENALIN | SAH | MSG | Iso-citrate | Trigeminal nerve |
| Tyrosine | Cysteine sulphinic acid | ASPARTAME | Glucose | Abducens nerve |
| L.DOPA | Hypotaurine | TYRAMINE | Lactose | Facial nerve |
| Dopamine | Taurine | α-Solanine | Casein | Auditory nerve |
| Dihydroxymandelic acid | GLYCINE | Medulla | Gluten | Glossopharyngeal nerve |
| Vanillylmandelic acid | Glutamate | Pons | L. Lactic acid | Vagus nerve |
| SEROTONIN | Choline | Midbrain | D/L Lactic acid | Hypoglossal nerve |
| Tryptophan | Betaine | Occipital Lobe | Cholesterol | Accessory nerve |
| 5-Hydroxytryptophan | DMG | Temporal Lobe | Oxidised Cholesterol | |
| Hydroxyindole acetate | Serine | Cerebellum | D. Lactic acid | |
| Methoxyindole acetate | Sarcosine | Parietal Lobe | Serum Amyloid protein | Ethanol |
